BROADWAY, BABY!

The Assistance in Health Care *Sun Gala* committee members would like to express our appreciation for the support and financial contribution of all who partnered with us at this year's event, *Broadway, Baby!* held August 22, 2008. You helped us make it our best event ever, raising over \$140,000.00! Many cancer patients will be more comfortable with lights on and bill collectors held at bay because of your support. There were many generous people who helped make the event successful; it was truly a community effort with the donation of time, service, product and finances. It has been a humbling experience to witness the outpouring of volunteerism.

We are thankful to all our friends who made this year's event so successful since patient requests have skyrocketed in recent years. We have seen the requests increase from \$1,000 per month to \$40,000 per month with little change in demographics.

Again, THANK YOU for your support! You have partnered with many cancer patients and their families in their recovery journey and, on behalf of them, we thank you from the bottom of our hearts!
