Assistance In Health Care, Inc.

Assistance in Health Care, Inc. is a not-for-profit volunteer organization which assists cancer patients and their families with non-medical expenses when the cost of prolonged medical care creates financial hardship.

BOOTS AND BOWTIES 2009

This year's *Boots & Bowties* Fundraiser was a "boot-scootin" good time and a tremendous success!

The event featured live music from Tulsa's own Oklahoma Stomp, Grand Ole Opry-style entertainment by local talent, dinner, and silent and live auctions which brought in a record 380 attendees. In response to the fun filled evening, Assistance in Health Care was able to raise nearly \$140,000 for the non-medical needs of cancer patients.

We are making plans for *Boots & Bowties 2010*. Stay tuned for date and time.
